Olive Vista Living for Adults

December 14, 2006

Dear Steven,

I would like to take this opportunity to express our gratitude for your presentation here at Olive Vista Living for Adults on December 1, 2006. It was with joy and pleasure personally experiencing the therapeutic value you brought not only to our residents, but also to our staff alike. The response from our residents was that of thankfulness and appreciation. As with most of our residents, they have a difficult time expressing their emotions. Your presentation gave them an outlet and also provided them with a resource as well.

We look forward to continuing to bring your presentation here at Olive Vista in the future. If there is any further assistance you may need, please feel free to contact me at your convenience. Once again, we here at Olive Vista thank you again.

Sincerely,

Lewis Garcia
Program Director
