To Whom It May Concern:

The reading program entitled, "Drumming for Your Life Institute", assist our students in their reading comprehension by using rhythm to improve their reading comprehension.

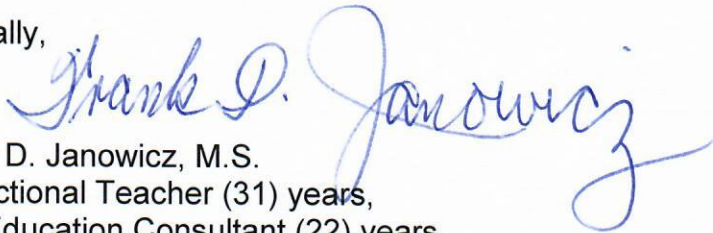

After use the reading program, all students have improved their reading comprehension from (50%) to (90%).

Students become more interested in reading about all subjects.

Students, who are incarcerated, receive certificates that they can show their attorneys in court.

If you have any further questions, feel free to call me at (562) 533-6385.

Cordially,

Frank D. Janowicz, M.S.  
Correctional Teacher (31) years,  
Law Education Consultant (22) years
