

TESTIMONIAL

Hi Steven,

I apologize for the delay in response and thank you for your patience.

Here is my testimonial.

The CIT program participants have loved attending the Drumming for your Life program. Julio has been an amazing instructor and lead. The participants have been able to learn the meaning of rhythm, syllables and beats. The staff members have noticed exceptional improvement in the participants skills and emotional wellbeing. They have learned new methods to be able to express themselves whenever their emotions become too much for them. Additionally, they feel accomplished when they are able to follow through an exercise that maybe felt impossible for them before trying it. We are very grateful to have met Julio! He is great at what he does and makes the clients feel capable to learn new things. Thank you!

Best,
Carmen
